

# CDT GROUP

GERMANY – ITALY – ZAMBIA

## GLOBAL AMBASSADORS FOR TRADE, EDUCATION & DEVELOPMENT (GATED)

### INTERNATIONAL RESEARCH GOODWILL AMBASSADOR (IREGA)

*Advancing Knowledge. Inspiring Innovation. Transforming Communities.*

#### WHO WE ARE

CDT Group Germany–Italy–Zambia is an international educational and community development organisation committed to transforming Africa through research, education, innovation, international collaboration, and sustainable development.

We build research partnerships that empower individuals, strengthen institutions, and create sustainable solutions for future generations.

#### THE IREGA ROLE

International Research Goodwill Ambassadors (IREGA) are distinguished representatives of CDT Group serving as advocates and ambassadors for research excellence, innovation, and knowledge exchange globally.

They promote research collaboration, capacity building, and evidence-based solutions that advance sustainable development across Africa and the world.

#### FOCUS AREAS

- Research & Innovation
- Science & Technology Advancement
- Education & Capacity Building
- Health & Life Sciences
- Environment & Climate Research
- Agriculture & Food Security
- Data, Digital & AI Research
- Social & Economic Development
- Policy Research & Governance
- Sustainable Development Goals (SDGs)

#### KEY RESPONSIBILITIES

- Promote CDT Group's research vision, mission, and programmes locally and internationally.
- Facilitate international research partnerships and collaborations.
- Encourage joint research projects, innovation, and technology transfer.
- Promote academic conferences, seminars, workshops, and research symposia.
- Support publication of research findings and knowledge dissemination.
- Encourage exchange of researchers, scholars, and experts across institutions and countries.
- Support young researchers and build research capacity.
- Represent CDT Group at research-related events and forums.
- Advocate for research as a tool for education, development, and social transformation.

#### WHY JOIN AS AN IREGA?

- International Recognition & Prestige
- Global Research Networking Opportunities
- Collaborate on High-Impact Research
- Access to International Academic Partnerships
- Contribute to Breakthrough Innovations
- Support Youth & Emerging Researchers
- Participate in Global Conferences and Research Exchanges
- Performance-Based Incentives on Approved Research Projects

#### OUR VISION

A world where research, innovation, and knowledge collaboration drive sustainable development, improve lives, and solve global challenges through international partnerships and excellence.

*Together, We Can'*
